Carwari International @ Taste of Sydney

Carwari International joined the most exciting cuisine event, "Taste of Sydney 2012" from 09 March to 11 March. Unfortunately the Thursday session was cancelled due to the heavy rain, however, we had beautiful weather for the next three days. Many visitors came to our booth in the "Producers Market" area. It was a very good opportunity for us to talk with all customers on face-to-face and introduce our products.

Most popular items @ Taste of Sydney
