

What's New from Carwari?

We are very pleased to introduce our brand new product "Organic Chia Seed".
Chia Seed is known as a very nutritious seed and very popular with its unique texture.
Chia Seed is high in protein, minerals, dietary fibre and rich source of omega 3.
It is best to mix with your favourite muesli or cereals for breakfast!!

Carwari participated in Wray Organic Expo in Brisbane

Carwari participated "Wray Organic Expo 2014" at Royal International Convention Centre in Brisbane. The event was very successful and we had a big crowd all time.

It was very good to be able to introduce our products to all visitors in person. Our brand new product Superfood was very popular as well as drinkable vinegar, instant miso soup and of course our Tahini!!

Thank you for those who came to visit our booth at the expo and we look forward to going back there next year!!

Microbiotic Seminar with Kenji Okabe

Carwari proudly sponsored "Microbiotic Seminar" in Sydney on 21-22 June. Kenji Okabe, the Microbiotic expert from Japan, explained the critical benefits of the traditional Japanese food and introduced Carwari products to the audiences as good examples at the seminar!! Thank you Mr.Okabe!!

- ACO certified leading sesame manufacturer based in NSW
